Current Research Interest:

No.	Research area
1	IT innovation, acceptance and adoption.
2	Ubiquitous and Mobile computing.
3	Learning technology
4	Electronic and Mobile business, commerce and government.
5	Knowledge management.
6	Cloud computing

Master Thesis Supervised:

- Odaia Al Shoha, The Extent of Accounting Software Relevance for The Business Requirement in Jordanian Shareholding Manufacturing Companies: A field study, 2012.

Awards:

- Philadelphia University best effort in computer programming by Philadelphia University for the year 2004 in Jordan "www.philadelphia.edu.jo" for "Online Counselor and Registration Systems".

Training Courses:

- Course in Oracle in *ITCC*.

Introduction to oracle SQL & L/SQL (OCP)	Develop PL/SQL Program Units
Oracle forms developer :Build internet Application I	Oracle forms developer :Build internet Application II

Oracle Developer Rel. :6 : Build Reports 6

- Course study –sharing with educators from New Brunswick, **Canada**, on the use of *ICT* in classrooms. And is prepared to assume a team – building role in implementing a student centered ,curriculum-driven approach to uesing technology in Jordan
- Course in Installation Networking and Support of NewDeal Software
- *ICDL* - International Computer Driven Licences:

1.Basic Concepts of information Technology.	2.Using the computer and Managing File
3.Word Processing.	4. Spreadsheets.
5. DataBase.	6.Presentation.
7.Information and ommunication.	

- Course in AutoCAD.	- Course in typing by computer.
- Microsoft Windows NT.	- Jamsheed For Acounting & Management.
- Problem Analysis & Decision Making.	- Oracle Portal.

- Mobile Application Programming (Android).

Languages:

Language	Reading	Writing	Speaking
Arabic	Mother Language		
English	Very Good	Very Good	Very Good

Students Evaluation Scores:

Semester	Average	Semester	Average
First semester 2004/2005	88	Second semester 2008/2009	87
Second semester 2004/2005	86	First semester 2010/2011	84
First semester 2005/2006	87	Second semester 2010/2011	85
Second semester 2005/2006	89	First semester 2011/2012	82
First semester 2006/2007	91	Second semester 2011/2012	84
Second semester 2006/2007	86	First semester 2012/2013	82

Academic services and activities:

No.	
1	Head of the Scientific Research Committee, Department of Information Systems Department, IT College, (2014-Present).
2	Head of the Scientific Research Committee, Department of Information Systems Department, IT College, (2011-2013).
3	Head of the Graduate Studies Committee, Department of Information Systems Department, IT College, (2014-Present).

No.	
4	Head of the Graduate Studies Committee, Department of Information Systems Department, IT College, (2011-2013).
5	Head of the curriculum committee, Department of Information Systems Department, IT College, (2014-Present).
6	Member of the curriculum committee, Department of Information Systems Department, IT College, (2013-2014).
7	Head of the curriculum committee, Department of Information Systems Department, IT College, (2011-2013).
8	Graduate program committee coordinator, Department of Information Systems Department, IT College, (2011-2013).
