Course Title: Health Assessment - Clinical
Course Number: 1001273
Credit Hours: 1
Pre requisite: 1001223
Placement:
Instructor:

Course Description:
This course applies principles and skills learned in the nursing health assessment course on healthy and ill individuals. Opportunity is given to students to use effective communication and psychomotor skills to collect data about health history and to conduct comprehensive physical examination. Students will focus on the assessment phase of the nursing process, and will practice taking health histories and performing physical examination in a laboratory setting.
